About me

Passionate and dedicated programmer in web development. Knowledgeable in HTML, JavaScript, CSS, React, with demonstrated skills in solving complex problems and creating innovative solutions. Proven ability to work both independently and in collaborative teams, demonstrating excellent communication skills and adaptability.

Santiago Toctaquiza

Work experience

WEATHER APP = https://jocular-cobbler-6f9c85.netlify.app/

It provides current weather data such as: wind speed in meters per second, cloud percentage, pressure in hectopascals, and temperature in Celsius and Fahrenheit.

RICK AND MORTY APP = https://stately-concha-75acbb.netlify.app/

Give information about the inhabitants and their current status in the series of different planets in the Rick and Morty galaxy by pressing the numbers from 1 to 126.

FORTUNE COOKIE APP =
https://galletasantiagogen35.netlify.app/

Tell your fortune.
